

### **Application for initiation of the procedure for awarding a professional title**

Submitting the application is necessary to initiate the procedure for awarding a professional title. The application should be submitted no later than 14 days before completion of the last semester of studies.

The application should be submitted after obtaining credits (except a diploma seminar and other classes under which the thesis has been prepared), passing exams and completing obligatory internships required in the study programme.

In the case of studies ending with a thesis and diploma examination, the application should include:

- The thesis title
- Name and surname of the supervisor

A scan of a [declaration](#) signed by the supervisor should be attached to the application.

In the case of medicine and veterinary, the date of completing the last exam required in the study programme should be specified.

### **Application for conducting the diploma examination outside the University premises with the use of electronic means of communication**

A scan of the signed [declaration](#) on the acknowledgment of the terms and rules of conducting the diploma examination outside the University premises with the use of electronic means of communication should be attached to the application. An application for initiation of the procedure for awarding a professional title should be submitted separately.
