**RESOLUTION**

**of the Habilitation Committee dated September 28, 2026, appointed for the proceedings regarding the conferral of the degree of "Doctor Habilitated" in the field of Medical and Health Sciences, in the discipline of Medical Sciences, initiated upon the application of Dr. Luigi Marano.**

§ 1

The Habilitation Committee—originally appointed by the Council of the Medical Sciences Discipline at the Ludwik Rydygier Collegium Medicum in Bydgoszcz of Nicolaus Copernicus University in Torun via Resolution No. 68/2026 of March 18, 2026, and subsequently re-appointed with a modified composition (acting pursuant to Art. 221 § 5 of the Act of July 20, 2018, Law on Higher Education and Science, and § 6 of Resolution No. 37 of the Senate of Nicolaus Copernicus University in Torun of September 26, 2023, regarding the procedure for conferring the degree of "Doctor Habilitated" at Nicolaus Copernicus University in Torun) via Resolution No. 142/2026 of May 20, 2026—is composed as follows:

**Chairperson**: Prof. Ewa Ziemann, PhD, DSc – Poznan University of Physical Education

**Reviewers:** Prof. Dariusz Józef Patrzałek, PhD, DSc – Wroclaw Medical University

Prof. Jerzy Robert Ładny, PhD, DSc – Medical University of Bialystok

Prof. Piotr Czauderna, PhD, DSc – Medical University of Gdansk

Prof. Michał Pędziwiatr – Jagiellonian University in Krakow

**Committee Member:** Prof. Maciej Słupski – Nicolaus Copernicus University in Torun

**Secretary:** Assoc. Prof. Przemysław Gałązka – Nicolaus Copernicus University in Torun

acting pursuant to Art. 221 § 10 of the Act of 20 July 2018 – Law on Higher Education and Science (Journal of Laws of 2024, item 1571) and Resolution No. 37 of the Senate of Nicolaus Copernicus University in Toruń of 26 September 2023 (NCU Legal Bulletin of 2023, item 328), having reviewed the reviews and the application documentation and having held a discussion, hereby states that the Candidate's scientific activity and achievements constitute a significant contribution to the development of the discipline of Medical Sciences and **expresses a positive opinion regarding the conferral of the degree of "Doctor Habilitated" upon Dr. Luigi Marano in the field of Medical and Health Sciences, within the discipline of Medical Sciences**, acknowledging that the prerequisites for the conferral of the "Doctor Habilitated" degree, as referred to in Art. 219 para. 1 points 1–3 of the aforementioned Act, have been met.

Appendix No. 1 to this resolution, containing the justification, constitutes an integral part thereof.

No appeal lies against this resolution. The resolution enters into force on the date of its adoption.

Five persons participated in the Committee meeting. Number of voters:

Appendix No. 1

**JUSTIFICATION FOR THE RESOLUTION**

**of the Habilitation Committee**

**dated September 28, 2026, regarding the conferral of the academic degree**

**of "Doctor Habilitated"**

**in the field of Medical and Health sciences, in the discipline of Medical Sciences**

**upon Dr. Luigi Marano**

Having reviewed the scientific achievement, the self-presentation, the list of published scientific works, and the teaching and organizational achievements of Dr. Luigi Marano, as well as the opinions of the reviewers:

- Prof. Dariusz Józef Patrzałek, PhD, DSc

- Prof. Jerzy Robert Ładny, PhD, DSc

- Prof. Piotr Czauderna, PhD, DSc

- Prof. Michał Pędziwiatr, PhD, DSc

the Committee determined the following:

Based on the presented achievement, the remaining body of scientific work, the reviews, and the assessment of scientific, teaching, and organizational achievements, the members of the Habilitation Committee, convened at the meeting on September 28, 2026, concluded that the achievements of Dr. Luigi Marano **meet the criteria** specified in Art. 219 §1, point ...Articles 1–3 of the Act of 20 July 2018 – Law on Higher Education and Science, regarding the criteria for evaluating the achievements of an applicant for the degree of "Doctor Habilitated". Specifically:

1. Holds a doctoral degree – condition met.

2. The scientific achievement submitted for evaluation constitutes a significant contribution to the development of the scientific discipline – condition met.

3. Demonstrates significant scientific activity carried out at more than one university/scientific institution – condition met.

In view of the above, the members of the Habilitation Committee submit to the Council of the Medical Sciences Discipline at the Ludwik Rydygier Collegium Medicum in Bydgoszcz (Nicolaus Copernicus University in Toruń) a Resolution supporting the application of Dr. Luigi Marano for the academic degree of "Doctor Habilitated" in Medical Sciences and Health Sciences, in the discipline of Medical Sciences.

A detailed assessment of the Candidate's scientific achievements, including the critical comments and reservations raised in the course of the proceedings, has been included in the protocol of the Committee meeting, which form part of the official documentation of the proceedings.
